The number one reason God wants us to love each other so the world will see our love and will want to become a part of God's Family too. God wants us to love each other because other people's eternal destinations are at stake.

John 13:34-35 (NLT)

Another will prove to the world what you are saying to me. I have loved you, just as my Father loved me. Love each other. Just as I loved you, love each other.

John 1:12 (NIV)

Children of God, who trust in His name—He has given the privilege of becoming but all who received Jesus Christ, to them—true to those who trust. I Thessalonians 5:15 (NKJV)

May the Church of the living God love the Family.

God doesn't just want you to know and love Him, He also wants you to know and love each other because other people's eternal destinations are at stake.

2. What does your level of involvement in your local church say about your love for God's family?

3. What could you change in your schedule that would give you more time to build healthy relationships?

4. How would you be if true wealth were measured by the depth of your relationships?
